4	I really enjoy visiting Edith Wheeler Memorial Library the staff is very pleasant & helpful. Its a place I go to relax & get educated on all available materials.I wish hours of operation was open a bit longer on Friday but I can't complain. I just feel to be so lucky to live in this town because of this library.	11/12/2016 3:03 PM

9	My husband and I LOVE our library. Warm, friendly & helpful staff. Years ago, there was no way that I could afford a tablet/iPad. I was grateful to be able to borrow the library's e-readers at the time, because it opened up so much to me. I'm the type of person who doesn't judge a book by it's cover, but by it's font size . . .Having lost my job back in 2011, I've also attended and have been grateful for resume workshops and career related seminars. Ian Kennedy from the Schegg Group was fantastic . . .so charismatic! DOL workshops are terrific. I'd love to see more, especially in learning software like EXCEL (for dummies) and Outlook, PhotoShop basics, AdWords, more about WordPress. SCORE workshops held at the library would be terrific, especially in how to monetize your website. But maybe this isn't the area to write about my wish list . . . but if it is, some libraries offer Lynda.com access as well as Freegal, and especially having free access to Lynda.com educational courses would be very helpful. You can't get a job unless you have current skills but you can't afford to update your skills because you don't have a job or a decent job.	11/11/2016 11:01 AM
10	The Edith Wheeler Memorial Library is an essential part of this town and the community needs it as a resource to both fiction and non-fiction materials. Younger generations are losing reading and writing skills because they do not have enough access and familiarity with print.	11/11/2016 10:00 AM

13	EWML is a pillar in the community. It's more than just a place to go and look for a book. My kids grew up loving the diff programs, and as an adult I have taken many programs there as well. It's also a place to go when the power goes out during a storm.	11/10/2016 10:29 PM
14	Staff are excellent	11/10/2016 7:11 PM
15	We have a HS sophomore and a college freshman. Our use of the library has slowed down a look over the last several years. But when my children were younger ee used it all the time. The teen programs just haven't interested my children. The only thing we have participate in is the college prep test.	11/10/2016 7:01 PM
16	Full selection of reading, watching and listening materials. Interesting adult learning opportunities. 28	Pleasant atmosphere. Friendly staff.	11/10/2016 11:04 AM
29	A friendly, welcoming environment. Major complaint: reference desk is understaffed. One reference librarian is not able to assist in a timely manner. At times in the evening, there is no reference librarian available due to a dinner break.	11/10/2016 10:48 AM

40	Friendly, welcoming, peaceful	11/9/2016 9:33 PM
41	I use the library to borrow books for my 10 year old and 6 year old, so I appreciate good solid collections. I also appreciate the summer programs and am so happy that they are free of charge. I do wish the programs would find a better way to register the children as it is hard to remember to log on 2 weeks before to register a child for a program say in August or so forth. Email messages/prompts to remind a person of the programs and when to register would be invaluable and much appreciated.	11/9/2016 9:29 PM

67	Staff is always very helpful.	11/9/2016 2:42 PM
68	A lovely library with a huge selection of new books and a large range of books on all topics. I also like the book sale room on Wednesdays and find many books there.	11/9/2016 12:42 PM
69	Clean, modern, well equipped, innovative, friendly. I really love this library! FAR superior to all others in area. It is a bit difficult to work around the hours of library operation - would be easier if open for full days, hard to access when only open 1/2 day, and hard to remember which days/hours library is open. I have had difficulty donating books & media. Some items I had seen in other libraries so I thought I would bring in some unshed copies we had in our home, yet they were rejected from acceptance at this library. It made me feel slightly uncomfortable, with a twinge of censorship sensation. It is very rare that I have anything to donate, so I'm not very affected personally. However, I would feel better if I knew things were accepted with consistency and without personal bias. My only real complaint is actually getting into the parking lot. The turn from Route 111 into library is completely confusing and an accident waiting to happen, if it has not already - the sign is totally confusing. I drive all the way around and enter through town hall parking lot just because I cannot tell which way we are allowed to access from 111. Additionally, the top parking lot across from front entrance is hard to navigate with only a slim area, and one access/egress route.	11/9/2016 12:28 PM

86	Friendly environment	11/7/2016 8:10 PM
87	Frustrating hours. For someone who works all day during the week (to pay taxes to support the library), there is limited time to use the facilities. Would like to see full weekend and evening hours. can be closed more during "normal" business hours.	11/7/2016 6:42 PM

102	.. THE STAFF IS EXTREMELY HELPFUL AND ALWAYS PLEASANT. THE READING ROOM IS COMFORTABLE AND CHEERFUL. BEING HANDICAPPED, I APPRECIATE , THE EASY ACCESS TO ALL THE BOOKS, MAGAZINES, NEWSPAPERS AND COMPUTERS. MOST OF ALL, THE INDIVIDUAL ATTENTION I RECEIVE WHEN I NEED HELP USING THE COPIER, ETC. MOST ENJOYABLE ARE THE DIFFERENT COLLECTIONS IN THE SHOWCASE.	11/6/2016 10:25 PM

104	IF you are going to make ANY changes ... PLEASE make them POSITIVE changes ; that only make using the Library more convenient and "user friendly" !!!	11/6/2016 1:32 PM
105	The staff is always helpful. My main dis-satisfaction is with the hours. I work in Stamford so staying open to 8 PM would be really helpful so I can get materials on way home from work. I plan to start downloading materials to my Nook - if possible. So I am looking forward to that service.	11/6/2016 10:41 AM
106	Superb, especially the children's librarian, Miss Michelle. Use Morningstar for stock quotes on a regular daily basis and it is extremely helpful. I also enjoy checking out dvds. You have a beautiful facility.	11/5/2016 5:01 PM

129	sense of community, inclusive, welcoming, qualified staff, supportive, underfunded, working well, in tune, get the sense that staff wants to meet the needs of their patrons	11/2/2016 5:55 PM
130	Good location, well designed and comfortable, good hours, and good library help. Not really any negatives.	11/2/2016 4:03 PM
131	I like this library. I travel and visit many libraries. I don't like the fact that the compact discs are locked up. It's a nuisance to have to get them unlocked if I want to listen to them while in the library without checking them out. Additionally, this makes all of the information inside the lockbox unavailable to read. You don't lock up the books! I find this procedure in conflict with the concept of a library. PS Whatever happened to silence in libraries? This is true everywhere I go. Patrons speak loudly, talk on their cell phones, and generally have no concept of respect for the other patrons.	11/2/2016 4:01 PM
132	Friendly, quiet place to come study however it is very cold inside especially in the corners of the library and it would be nice if they temperature can be raised. Although the temperature may indicate 70 degrees inside the library, one has to take into account that the windows and cold weather outside cause a draft of cold air	11/2/2016 3:01 PM

147	The library staff are always very helpful in finding what I need. EWML needs more books, DVDs. Or fewer renewals. Maybe this reflects high demand, which is a good thing. I don't want some of my responses in Q 11 to seem somewhat negative but I don't use a lot of the services offered and there is no N/A option.	10/31/2016 8:34 PM

167	It's a huge part of the community. I've been bringing my girls to programs here since they were old enough to join the fun! They loved the little kid area when they were smaller and now enjoy using the computer for mine craft. they also enjoy taking classes when the time is convenient for me to get them there since they are not quite old enough for drop off yet, and they really enjoy the movies and other programs throughout the year.	10/29/2016 1:35 PM
168	Amazing children programs! Wonderful resource for a family of young children.	10/29/2016 12:12 PM

171	Efficient, organized, welcoming	10/28/2016 7:56 PM
172	EWML is the best thing about Monroe. It is a shame the town elders don't realize this and support it financially, commensurate with its peer group. The staff's professionalism and friendliness makes every visit special	10/28/2016 5:22 PM
173	The library is a pleasant, efficient place to find materials needed for my life.	10/28/2016 4:58 PM
174	EWML has a wide variety of resources. The staff is always so kind and pleasant. I think the tutoring sessions that take place near the puzzle area should be relocated to an enclosed room, however, because I find that it is very distracting while I am trying to read by the windows in the comfy chairs. Movies are great, but I find that new additions are slow to make the shelves.	10/28/2016 4:16 PM
175	inviting atmosphere; helpful staff; children's programs are excellent	10/28/2016 2:44 PM

191	The EWML contributes in so many ways to the health, education, and growth of our community. It is the only community resource that provides information and programs for every age and demographic in our town. Our library has continued to realize the importance of adding to its collections of print materials while keeping up with technology. While I have not been able to attend a large number of programs due to other scheduling,especially on weekends, I am impressed with the range of programs being offered. The staff is always pleasant and helpful. When I have worked with some librarians on a specific community project, they have been extremely receptive and helpful.	10/27/2016 1:12 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

206	Helpful, inviting, hard working employees	10/26/2016 5:14 PM
207	The library is peaceful and welcoming. As a high school student, I go to the library when I really need to do an assignment or make good progress on my homework. I can always count on finding my own table/place to study or do homework without being interrupted. I am always able to be productive and have a positive experience. In addition, I am also an avid reader and I love that Edith Wheeler has such a large selection of teen books. I also recently attended the session on writing college application essays. It was awesome that it was free and it really helped me with the process of getting my essay ready to send to colleges.	10/26/2016 4:40 PM
208	They have a lot of resources but I wish on Sunday's it had longer hours for kids during the school year. A lot of times they need the computer and it is somewhat limited for homework.	10/26/2016 3:53 PM
209	Excellent community resource. Very kid and family friendly	10/26/2016 2:39 PM
210	a meeting place, heart of the community, safe and friendly,	10/26/2016 2:37 PM
211	Great experience when my children were babies/toddlers. Often when I am searching for a book, it is not available and I need to go to another library to get it- I don't often get help from the teen/adult section as the staff upstairs are less then friendly. My twins are 9 and they still use the children's section downstairs and staff there is very nice.	10/26/2016 2:05 PM
212	Clean, easy to navigate, inviting	10/26/2016 1:50 PM
213	Welcoming	10/26/2016 1:17 PM
214	welcoming, knowledgable	10/26/2016 1:11 PM
215	I particularly enjoy the free movies that are shown once a month, and would like to see that service expanded to more days per month. Whenever I request a book, the wait time is minimal, and I normally get a call that the book is being held for me and ready for pick up within a short period of time. Staff is always helpful in answering questions and helping you find what you need. The community extra programs/classes/lectures, etc., that are offered by the library seem to be quite diversified, interesting, and suited to a variety of different tastes.	10/26/2016 12:28 PM
216	Have found everyone here very helpful & knowledgeable. We come one time a month for quilting--am very appreciative of accommodations here. Thank you. I live in Orange.	10/26/2016 11:07 AM
217	Librarians are very helpful, courteous and pleasant. They are the best--especially the research area.	10/26/2016 10:55 AM
218	I am a library junkie so my views are somewhat biased. The library has to evolve to find a new role to serve the community in the Internet age. I think they are striving to do this.	10/26/2016 10:18 AM
219	Staff has been very helpful and friendly when I have needed help.	10/26/2016 9:57 AM
220	Always warm and welcoming with helpful staff. It feels good to go in. When new books are released or on the NY Times best seller list, there is too long a wait to borrow both hard copy and electronic versions.	10/26/2016 7:50 AM
221	Wonderful resource in the town.	10/26/2016 7:05 AM
222	Pleasant. Personable. Peaceful. Mature. Grateful.	10/26/2016 6:46 AM
223	Wonderful, educational programs for children and adults!! Nice and helpful staff!	10/25/2016 9:30 PM
224	Horrible staff that is rude and not helpful when people want to take art classes manager treats tax payers as second class citizens and makes it difficult for working people to sign up and get on class lists	10/25/2016 8:47 PM
225	Comprehensive and welcoming	10/25/2016 8:19 PM
226	Very inviting for me and my 5 year old child. Great selection of books for her.	10/25/2016 7:59 PM

235	I love the Edith Wheeler Memorial Library. The staff is always friendly and helpful. It is also comfortable to just sit down and read a book or bring a computer and work.	10/25/2016 5:54 PM
236	Library employees and volunteers are always extremely helpful!	10/25/2016 5:44 PM
237	AMAZING	10/25/2016 4:53 PM
238	Great resources. I have 2 young children who love coming to the library.	10/25/2016 4:44 PM
239	As a classroom teacher I often times use the children's section to help enhance my teaching materials.	10/25/2016 4:36 PM
240	Lorna has been particularly helpful with technology. All staff friendly and willing to help. I would like more books in cd's in mystery writers like Connley .	10/25/2016 4:01 PM
241	It is such a positive environment filled with a joy for learning and reading. The staff in the children's room are very friendly and know my family and always make us feel welcome. We love attending Touch a Truck and other fun activities and workshops offered to children of all ages. Read with Dani was wonderful and really allowed my then 7 year old to become comfortable around dogs which was something she struggled with along with working on her reading skills.	10/25/2016 3:40 PM
242	I think it's ridiculous to charge residents for room usage. I wanted to reserve a room to teach a free hobby class with a friend of mine (no charge for anyone coming, nothing for sale). I am a stay-at-home mom and resident of Monroe, not a business person, but not a "qualified not-for-profit." The cost for reserving a room since I couldn't prove non-profit status? \$150!! For a Monroe resident. Unbelievable. My friend is from East Haven and so we went to her library instead where we paid a small \$25 fee to reserve a community room there. Shame on EWML for making it so costly and difficult for residents to use their community space.	10/25/2016 3:19 PM
243	It's a good library with friendly people to assist you. Needs more availability of online ebooks.	10/25/2016 2:49 PM
244	The library is a great place to go to for books, to use the computer and also to take out movies and do puzzles. The staff working the library are very helpful and friendly every time I am here. 247	The library personnel are always helpful and are very willing to help in all problems.	10/25/2016 12:43 PM
248	Fantastic administration, staff & facility. Friendly librarians. Exceptionally clean. It would be helpful to have tutors tutor in one of the two closed rooms. They can be distracting to others while running their private business.	10/25/2016 12:35 PM
249	quiet small town	10/25/2016 12:31 PM
250	Lucky to have a wonderful library.	10/25/2016 12:23 PM

252	Wonderful community gathering place for families. My kids are young, and they love the kids collection. When they are teens, I hope they will enjoy the teen area, as well.	10/25/2016 12:08 PM
253	I believe the library, while important, is over-sized and therefore over-costly tax dollars paid by town residents. I believe the downstairs (possibly all of it) should be rented out to paying renters who may include Universities and Colleges and companies. And the total OP. BUDGET REDUCED and the savings passed along to tax payers. A Rebate on OP. Budget savings.	10/25/2016 12:02 PM
254	My favorite library, great selection, use rooms in back for interviews.	10/25/2016 11:52 AM

258	Our library is awesome. The staff excellent - Always helpful.	10/25/2016 10:55 AM
259	Great community and resources for our town. We often put books on hold from other libraries when not available in town. Great to be able to do that. Wish more were available as e-books. Enjoy books on CD and movies. Lots of times we've been told items were overdue when they were returned after closing hours and were checked back in wrong. Not sure if it's gotten better or if we just stopped returning things off hours.	10/25/2016 10:51 AM
260	Very friendly and a great place to take my children on a rainy or snowy day to get them out of the house.	10/25/2016 10:26 AM

It is a peaceful place to get lost in a book; an important place where you can find the resources that you and your family need; the invaluable community connection that helps us thrive as people; and the increasingly crucial avenue to teaching our kids that books open up and form their minds in a way that handheld devices never can.	10/24/2016 8:31 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

325	It is such a great place with so many inviting programs to draw people of all ages in. There is always a variety of things going on. You can tell a lot of thought and work goes into making it the library it is.	10/24/2016 3:54 PM
326	It's a beautiful facility with good staff and plenty of resources and activities. It's unfortunate, in a way, that so much information and reading material can be found online now because I think in this day and age far fewer people have a need to go in. I will say that for me personally it has really saved me a few times because I work from home and occasionally my internet goes down! Days like that you can only sit in Dunkin or McDonalds for so long so I go in to the library which not only saves the day but is a really nice change of scenery for someone like me who doesn't have a chance to get out of the house much! It also causes me to look at flyers, books etc that I wouldn't otherwise see as long as I'm there.	10/24/2016 3:54 PM
327	Great place to meet and have young kids enjoy reading	10/24/2016 3:44 PM

330	The library is awesome. My wife, my boys and I all utilize the library for books and videos. It's a great resource. I came from a town that did not value the town library....i was so amazed at how awesome it was to have a library of such high quality in my town that i could use!! Thanks!	10/24/2016 3:39 PM
331	Staff is excellent. Could not be happier. Website I find not very user friendly (I do find Trumbull library website easier for example). I'd like to see increased selection of crime/mystery books. Overall very happy tho!	10/24/2016 3:35 PM
332	Great.The staff is well informed, helpful and friendly.	10/24/2016 3:23 PM
333	A much needed resource and community service.	10/24/2016 3:22 PM

349	I have recently just started using the library again. We would go regularly when the kids were small, but I've started to go and take out books. I've also started to download books. I still feel that it is or should be the epicenter of the town.	10/24/2016 2:44 PM
350	Excellent facility, easy to access different areas, friendly and helpful staff, a wonderful community resource	10/24/2016 2:43 PM
351	Signing up for "events" used to be easier. Now the registration can be slow to open for programs. I used to get emails prompting me to sign up for upcoming events and now I get nothing. Have to check website repeatedly to see if a registration has opened. Also.....the reminders that come by email for a class you've signed up for come too far in advance of the class. I would like a reminder 3-4 days in advance and then have it REPEAT morning of or day before class. Thank you.	10/24/2016 2:39 PM

406	A Wonderful Place!!	10/22/2016 4:25 PM
407	When my children were young, we were at the library at least 2-4 times a week taking out at least 30 kids books to read. We participated in library hour and activities. The children remember that as fond memories. Now my daughter comes home from college and she uses the library when she is home. My son will use the library at times also for various reasons. Just because I don't patronize the library as often as I used to, there are others now who I am hoping will use and love the library as much as we used to with my young children. It will be a sad day if libraries ever don't exist.	10/22/2016 4:03 PM

411	Best library I have ever lived near. Love the evening lectures provided. Great selection of DVDs and books.	10/22/2016 2:22 PM
412	The Monroe Library has the best computer-usage policy of all of the town libraries in this area. The open usage policy (i.e., no fixed user time limits) is the best policy, and it can be implemented because there are no waiting lines to use the computers.	10/22/2016 2:07 PM
413	The Library is GREAT. A great library is a reflection of a Town, and vice versa. The staff is phenomenal, everyone I've had the pleasure of dealing with has been great, knowledgeable, courteous, professional, and extremely helpful. Absolutely GREAT staff ! 438	EWML is a happy place to be usually. There seems to be some problems with some of the staff. They might stand around talking when they should help a patron. There are problems with shelving, many items in wrong places. Staff need to be more careful, I went to pick up an item on hold & it was filed on shelves in the wrong section.	10/22/2016 7:52 AM
439	Nice, small-town library. Staff is helpful...reference people helped me quite a bit when I was trying to learn how to download e-books.	10/22/2016 7:48 AM

450	I find the programs presented excellent, the staff friendly, helpful and professional. and the overall atmosphere welcoming. thank you!!	10/21/2016 7:07 PM
451	Reference librarians have always been extremely helpful. I think it's ridiculous that in order to renew a library card you need the original card. Don't distribute key ring cards and expect people to hold onto their original cards.	10/21/2016 6:55 PM
452	All of the librarians are very helpful at the reference desk .use computer for photo shop tho havent in a while and all kinds of seaches online	10/21/2016 6:07 PM
453	Fun and informative	10/21/2016 5:45 PM
454	I love this library. It's one of my favorite places in Connecticut!!	10/21/2016 5:04 PM
455	The EWML is one of Monroe's most precious gems. I love the Adult Programs, Art, Crafts, Historical and Cultural and have frequented several. I also enjoy the Summer Adult Reading Program. I wish there were even more. I read about the children and teen events but since my children are older, I have not personally experienced many. However, when my granddaughter is in town, we always visit the Children's Library. Also, as an educator, I have borrowed many books. Your staff is stellar with an abundance of patience and always so friendly. I love the EWML. The only reason why I frequent the Trumbull main library at times is because their selection and availability of books and media (especially spoken books) is much greater. I assume this is because Monroe's budget keeps getting slashed. Parking is always fine and the location is convenient to the citizens.The EWML is most definitely an asset to the town.	10/21/2016 4:51 PM
456	The adult yoga and meditation are excellent and I encourage more of these types of activities	10/21/2016 4:19 PM
457	Friendly, growing	10/21/2016 4:17 PM
458	Positive, professional, friendly community. It is always a pleasure to attend a lecture or a special event at EWML a lot of thought goes into their programs.	10/21/2016 3:40 PM
459	Excellent Staff! Excellent lectures and programs. Very welcoming atmosphere.I wish it was open Sundays all year long.	10/21/2016 3:29 PM

461	Clearly makes me feel good about paying my taxes. Wish the hours were better	10/21/2016 2:45 PM
462	I value the library very much. I was a little disappointed in the summer reading program last summer as the kids were not as motivated as in the past.	10/21/2016 2:12 PM
463	dr	10/21/2016 2:04 PM
464	erere	10/21/2016 2:02 PM
465	staff very understanding of "senior" moments.	10/21/2016 1:54 PM
466	Very pretty and clean and has lots of books but not enough resource books.	10/21/2016 1:52 PM
467	EWML is a first-rate library. The staff is knowledgeable, friendly, and always helpful. Lorna does a *great* job with the variety of programs she brings into the library. They are relevant (Social Security presentations), fun (the painting class, movie night), and relevant (learn how to use the 3-D printer). It's a great resource. Not everyone has the internet, so the public computers are tremendously important. It's use as a warming & charging station during power losses is also very important to the community. It has a great selection of books! The negative: the computer to check-out often is slow or temperamental. I'd like to see it open a few more hours but realize that is a budget thing.	10/21/2016 1:48 PM
468	I would have to say that the staff at the EWML are its best feature. They are always so helpful and pleasant.	10/21/2016 1:45 PM
469	A fine example of what a small town library should be. I am proud to call EWML my hometown library. I can't imagine our community without it, or any community without a library for that matter. They are constantly enriching our lives with meaningful, helpful and enjoyable programs. Michele in the Children's Department has been the best thing that has happened to EWML! She has brought new energy and resourcefulness where it was previously lacking. She makes everyone feel welcome. My kids love going to the library even now at ages 7 & 10!	10/21/2016 1:41 PM
470	modern, convenient, well equipped	10/21/2016 1:32 PM
471	I enjoy listening to historical talks and a good movie when I can. I love hearing David Knoch (Hamis L) not sure how to spell his new name. He is the best speaker on topics -Civil War, and other historical talks.	10/21/2016 1:24 PM
472	Warm staff and inviting community programs	10/21/2016 1:22 PM
473	The hours are great. I love the ability to place books on hold. The new DVDs program is nice- 3 days on new releases. \$2/day late fee on non new releases seems steep, though. All librarians very nice. Love the kids programs.	10/21/2016 1:18 PM
474	We are very lucky to have such an effective group of staff in Monroe	10/21/2016 1:14 PM

9	a library is supposed to be a resource. It has always been a place of quiet, a place of study, a place to retrieve local and international histories. It represents freedom of choice and education. The library can be updated and become more technology oriented, but children should also understand how all libraries from small scale to Vatican huge, use a specific cataloging system. Teach the changes from the Dewey Decimal system to modern Doi codes for online access. Teach about the search engines like CINAHL and all of the others. Do not replace, update and make the history known. Read to kids, hold fundraisers, have a book club, a reading challenge, a scavenger hunt, just teach and honor the Library for what it was and should be.	11/10/2016 1:17 PM

319	I would like to live in a safe, friendly and welcoming community. I am from Huntington and I prefer to utilize the EWML due to the relaxed atmosphere, staff members and all of the resources available here. My granddaughter really enjoys all of the activities provided by the library year round. For example, we sign up every summer for the programs offered along with the summer reading program for the children and she especially enjoys the first day that is the "kick off" of summer reading because of the scavenger hunts/magic shows/and other programs offered for the kids. We also attend movies throughout the year.	10/24/2016 4:39 PM

4	My wish is that every person in our community has what I had growing up in a small New England town. I was raised in the thriving metropolis of Redding, CT. It was during a time when our parent's didn't worry about sending us off to school, or what we were doing afterwards. We were outside, playing with our friends, building forts in the woods, catching what we could in the brook and just being good kids. Our neighborhood was a great community, one where we all looked after one another. We all felt safe. And yes, after reading what I wrote, I feel very old . . .	11/11/2016 11:01 AM
5	We all need to find a way to get along, despite any differences.	11/11/2016 9:16 AM

9	This is the town I grew up in. I've had the chance to live in different parts of this country and then was able to come "home." This was a beautiful town to grow up in with a wonderful education system. We as a society need to keep current, however, that does not mean turning Rt. 111 & Rt. 25 into the Post Road of Milford/Orange. I believe the quaintness and warmth of this town along with its education system is a draw for the town. Business and shopping is scattered within with larger available relatively close by.	11/10/2016 4:30 PM

263	That's how I choose a community in which to reside	10/24/2016 5:35 PM

265	It is good to like where you live	10/24/2016 5:33 PM
266	I grew up in Monroe. I am proud to live here as an adult and raise my children here. I enjoy the fact that I can continue to learn and attend enriching programs here in my own home town, and that there are equal numbers of opportunities for my kids.	10/24/2016 5:15 PM

275	I love spending time with my granddaughter here at the EWML. I introduced her to the library at a very early age, (pre-school age) and now she loves to read! It was so fascinating to watch her go from listening and learning to read at an early age to having her select books and read them to me! The staff members are extremely friendly, helpful and make us feel welcomed each time we visit the library. They all know my granddaughter and take time even if it is just a moment to acknowledge her by her first name. She loves the library and the staff!	10/24/2016 4:39 PM
276	Less crowded, better interaction among citizens. It's good for citizens to interact but people need space too. Ethical values are the foundation for our town, on which we build our culture. Schools can be not only for traditional education but promote art, athletics, citizenship and non-academic values.	10/24/2016 4:31 PM
277	I would like to be able to attend community activities with my children, but many times they are during normal business hours so I am unable to attend.	10/24/2016 4:29 PM

280	To improve my family's quality of life	10/24/2016 4:23 PM

326	I like the education programs; the park systems; out of town residents can park in the overflow parking lot	10/24/2016 12:41 PM
327	Makes us feel comfortable going.	10/24/2016 12:31 PM
328	I don't want to feel unsafe when I go out at night in parking lots, etc. It's not a "singles" type community but focuses on more established couples and families.	10/24/2016 12:27 PM
329	We should all push each other to succeed and better ourselves. That's how we'll grow as a community	10/24/2016 12:26 PM
330	It's important for me because I want my children to have the experience growing up in a small, neighborly community. I also want them to feel comfortable and welcome when using community services like the library.	10/24/2016 12:24 PM
331	My ideal community is one where I can recognize people that I can call my friends.	10/24/2016 12:18 PM
332	Creates an open compassionate environment for all.	10/24/2016 12:18 PM
333	makes life a whole lot better	10/24/2016 12:16 PM

346	I'm not from this area and being a minority, it took a while for me to get use to living here. It's a nice place to move to (from NYC) with a good public school system for my kids to grow up in, but the property taxes are high. There's potential for Monroe to encourage more businesses to be establish here and that may help lower the taxes.	10/23/2016 5:33 PM

1	It is not different so far as I have seen.	11/14/2016 9:28 AM
2	I see things now as I addressed it on quest.12 & 13 and thats a good thing (happy face)	11/12/2016 3:11 PM
3	People are afraid. It makes me sad, but I'm positive enough to hope that we can change.	11/11/2016 11:01 AM
4	The current political atmosphere has pitted us against each other.	11/11/2016 9:16 AM
5	I think we could use a little more diversity and should accept that not all people are the same, nor think the same things are important. I think we do a pretty good job of educating our children. I do not think Monroe is fair when it comes to land use. Many of these new projects are running roughshod on our neighborhoods to their detriment. I understand the need to raise the tax base, but at what expense to our environment? Where is a unified plan to resolve the traffic problems these will create??	11/11/2016 7:59 AM
6	It's not. We love Monroe. It's not perfect, but we try our best	11/10/2016 10:31 PM
7	Many people remain disconnected.	11/10/2016 7:45 PM
8	Not much.	11/10/2016 7:05 PM

12	I'm only at the library for my children, so I don't really see any differences there.	11/10/2016 1:35 PM
13	There are few who value tradition and fewer who have respect for others. There is a sub culture in today's that is more like an anti-culture. The new emphasis is greed, violence, disrespect and lacking the concept of "if you want it, earn it (work for it)". Society is too entitled and look for handouts.	11/10/2016 1:27 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

29	Too many people are too often distracted with getting and spending, and with the inessential and ephemeral . Things that really matter are being neglected or forgotten . The best is supplanted by the popular, the trendier, and the sensational. This is endemic and true values are smothered by the expedient , the transient, and the crassly commercial. Libraries house knowledge and imagination, and should be an active antidote to the social poisons and bulwarks to the advance of barbarism.	11/9/2016 11:02 PM
30	With changes in so many uncertainties in life it's hard to know where to stand without community support and value.	11/9/2016 9:43 PM
31	It's not different	11/9/2016 9:37 PM
32	Not too different,	11/9/2016 9:33 PM
33	I feel as if the library is a wonderful place to be. The programs for adults I am disconnected with as they occur before my husband gets home from work (he works in NYC) and so unfortunately, I cannot attend these programs.	11/9/2016 9:31 PM
34	I think for the most part Monroe embodies those things and the library contributes to the child-friendly, welcoming community here.	11/9/2016 9:18 PM

39	High taxes are turning people away - many folks are too busy with their own lives so not very friendly	11/9/2016 7:33 PM
40	I have lived in Monroe three years. I am not very connected to Monroe as a community. The world is far more focused on popular culture and media than I feel is interesting or developmental. My values are very different.	11/9/2016 7:15 PM

I feel that the concerns of individual, long time homeowners in the area do not carry any weight when mentioned to the powers that be in the community. My families previously picturesque, yet functional and accessible street has become a dangerous place to drive, and due to some town decisions, we may soon have to relocate due to rising costs of living here, as well as loss of property.	11/9/2016 12:44 PM

93	I seldom see teens at the library, so our future is at risk if they pay more attention to cell phones than the pursuit of knowledge-- if they are not patient enough to learn. Cell phone culture engenders the idea that everything can be obtained easily without hard work. The library must teach individuals how to pursue knowledge, and not to believe everything seen on the internet.	11/6/2016 10:50 AM

103	Sometimes communities can go a little overboard with political correctness.	11/4/2016 2:24 PM
104	Social media has it's many advantages but at the same time we are loosing the one-on-one human contact element. People become obsessed with social media and are moving away from using it for information and I feel it's moving to a darker place that can harm rather than help. Gathering places enable us to have physical contact with people and their ideas to work together. Government is loosing it's perspective and purpose and becoming more self motivating rather than doing what is good for all. Social media does promote innovation because the information is at our fingertips but at the same time it's moving us away from the basics for very noble professions that we will loose. We have to know what is going on all the time and have to have the latest and greatest which evolved us into a throw away society. This needs some innovation to fix.	11/4/2016 11:11 AM

117	I do not hear or see much of what the library has to offer in the way of educational opportunities that speak directly to problems/issues people face in their day-to-day lives.	11/2/2016 11:36 AM
118	People are discourteous, self-centered and feel cold. Open space is vanishing and core moral values appear to be vanishing.	11/2/2016 11:14 AM
119	The town isn't always safe feeling due to small acts of vandalism - example our solar lights at the end of our driveway were smashed. Also often on the backroads I witness people running stop signs.	11/2/2016 10:09 AM
120	not much different, it is usually that way in this community	11/1/2016 5:55 PM
121	Library can be a quiet refuge from the outside world. It also allows me to focus on my work.	11/1/2016 5:16 PM
122	We didn't expect to spend SO MUCH in taxes for what feels like nothing in return. For almost \$9k a year in taxes, I would expect more than a decent school district.	11/1/2016 3:57 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

128	Monroe is an open, welcoming place if someone knows who you are. Safe, but far from charming, picturesque, or pretty. The Green, EW library, and surrounding churches are nice but this is limited to one small area. Wolfe Park is great where it is. But the Trumbull line to Big Y area is simply unappetizing -- drive around to your different places and get out of there asap.	10/31/2016 8:34 PM
129	Monroe is safe as far as crime is concerned. monroe is not walkable, in that sense makes it not safe, not compassionate, not child friendly. Monroe has very high taxes, makes younger people locate elsewhere.	10/31/2016 7:43 PM
130	It isn't different.	10/31/2016 3:28 PM
131	I'm not saying that the library does not do that, but I think we all need to work on being more aware of who's around our children. They are a gift and they are our future. If we all pitch in, things can happen. Our world is HARD today. It's not like it was many years ago.	10/31/2016 11:15 AM
132	commitment needed for continual funding	10/31/2016 11:03 AM
133	I love Monroe and I think it already is many of these things.	10/30/2016 10:59 PM
134	I do not see that as being different than now	10/30/2016 8:25 PM
135	it is not different	10/30/2016 4:49 PM
136	We as a nation seem to becoming more intolerant of people who do not meet certain criteria.	10/30/2016 2:31 PM
137	Not sure that I understand the question. I don't see things different now.	10/30/2016 2:01 PM
138	It's mostly that way which is why I live here.	10/30/2016 9:11 AM
139	Monroe is safe but somewhat on the backwards side.	10/30/2016 8:25 AM
140	we have a strong park system we're putting smaller community businesses out of business	10/29/2016 8:21 PM
141	I find most people to be this way when I encounter them	10/29/2016 4:45 PM
142	Overall it's not too different. Although I don't like when groups are at odds for how money in the town should be spent and there often are surprises during budget season.	10/29/2016 2:32 PM
143	It's not different.	10/29/2016 1:36 PM
144	I find our community to be mainly this way, although there are always people who like to be negative.	10/29/2016 12:20 PM
145	As a long time resident-almost 50 years-I have seen this town double in size, and up until about 5 to 10 years ago keep its small town warmth. Now everything seems to be evaluated on a quantitative basis with no subjectivity considered. Not every value has a number.	10/28/2016 6:10 PM
146	I see polarization into small groups. People do not smile at strangers.	10/28/2016 5:23 PM
147	It isn't very different. I am satisfied with the way things are. Sometimes it gets a little too social. When I sit down to read, it's not an open invitation to have a conversation. People often don't realize that my attention is in my book, I'm not waiting to talk to someone. I like to find those corners of the library where most people won't look but still has a comfortable chair to sit in. There aren't many there, but I still find them.	10/28/2016 4:24 PM
148	Lack of information leads groups to focus on "cutting taxes" instead of advancing the community as a whole. At times, political motivation gets in the way of progress.	10/28/2016 2:53 PM
149	It's not different.	10/28/2016 2:19 PM
150	It is how I see it now.	10/28/2016 1:39 PM
151	I think Monroe is great.	10/28/2016 1:36 PM
152	I find Monroe to be a very friendly town.	10/28/2016 12:58 PM
153	That is what Monroe is all about and that's why we have loved living here for 31 years!	10/28/2016 11:10 AM
154	Monroe doesn't celebrate diversity as well as it should.	10/27/2016 9:01 PM
155	It's not. That's how I view Monroe now.	10/27/2016 7:42 PM
156	It's getting worse !	10/27/2016 5:28 PM
157	Their are many things for children but not a lot for teens	10/27/2016 5:09 PM
158	There is no difference only maybe more quantity and quality.	10/27/2016 5:04 PM
159	It seems that it is sort of hold, due to budget restraints.	10/27/2016 3:53 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

160	The residents are not that friendly.	10/27/2016 3:28 PM
161	Town has been short-sighted in long-term planning, and too exclusive with its partisan politics.	10/27/2016 1:45 PM
162	The divisions that are most obvious are political. Monroe, the state, and country are fractured by partisan conflict that separates rather than looking to what is best for the whole community. Monroe is a good town that works together when there is a crisis or need to support a charitable program. However, in the working of town boards and committees, the political bickering often outweighs the needs of the town( and good planning for the future).	10/27/2016 1:37 PM
163	This indicates a lack of long-term planning.	10/27/2016 12:59 PM
164	I still see Monroe this way, but maybe not as quiet as I would like	10/27/2016 12:40 PM
165	Is the above already	10/27/2016 12:00 PM
166	I think that kindness and compassion need to be taught, at an early age, to our children, to reduce the amount of bullying that goes on in our community.	10/27/2016 11:49 AM
167	not much different, however I would like more options for people that work - late evening events, weekend events, more children weekend events *most of the options/events for kids are during the week or very early in the afternoon	10/27/2016 11:22 AM
168	Not so diverse	10/27/2016 11:09 AM
169	Monroe is a very welcoming community but as we age, we need more access to social and health facilities- difficult if we are limited in driving - especially at night	10/27/2016 11:02 AM
170	Not really different at all	10/27/2016 10:19 AM
171	Not sure	10/27/2016 6:09 AM
172	liven it up a bit advertise more	10/26/2016 11:41 PM
173	People are often too focused on their children and don't allow them time for themselves.	10/26/2016 9:57 PM
174	Right now, I don't see as many people in our town being involved with big decisions as there could be. There is always room for improvement with everything.	10/26/2016 4:47 PM
175	It's not much different - I have great neighbors and the homes are all kept up and look desirable. Fortunately we don't have to worry about the safety here because it is relatively quiet.	10/26/2016 3:56 PM
176	The Monroe community is some of all those things. More would be better, but life intervenes.	10/26/2016 3:33 PM
177	Progress is slow....	10/26/2016 2:41 PM
178	Currently, I feel like the staff in the children's room and the teen/adult room are like night and day! The children's room always has a welcoming feel and the upstairs it's cold and uninviting. My teens don't feel like they can approach people for help.	10/26/2016 2:08 PM
179	I guess I am not familiar with the educational programs the library offers	10/26/2016 1:51 PM
180	I don't believe we are at our full potential.we are only just beginning to be recognized for our academics. But we are not thriving-there are so many empty store fronts, and depressing and dilapidated buildings.	10/26/2016 1:23 PM
181	We need more activities and meeting places for families and family friendly events (especially teenagers). Monroe is extremely generous and welcoming	10/26/2016 1:16 PM
182	Everyone wants to feel like they are accepted and that they belong, and a majority of the time, that isn't always the case, and it makes it difficult to make new friends and not be isolated.	10/26/2016 12:36 PM
183	Things are more business like.	10/26/2016 11:47 AM
184	not from Monroe	10/26/2016 11:08 AM
185	Except for the affordable part not much.	10/26/2016 10:25 AM
186	The town continues to add nail salons and pizza restaurants. You can have your nails done every 25 yards on Monroe Tpke. but residents can't easily walk to the grocery store or pharmacy or even for a cup of coffee.	10/26/2016 8:01 AM
187	We've stayed in Monroe for 28 years and one of the reasons is the welcoming feel to the area.	10/26/2016 7:10 AM
188	Our society is too aggressive and more is beyond sanity.	10/26/2016 6:54 AM
189	Manager of art scheduling person should support additional times and seats to take classes and be professional and polite to patrons and tax payers	10/25/2016 8:50 PM
190	I don't know as I'm just starting to become more active in the community.	10/25/2016 8:22 PM

200	I think the library currently does a great job with this. Over the summer, my 6 year old daughter spent much of her free time reading due to the program the library hosted.	10/25/2016 4:47 PM
201	Monroe has many members that aren't even aware of their ignorance.	10/25/2016 4:47 PM
202	The people who work there could be friendlier.	10/25/2016 4:25 PM
203	We need to be futuristic to prepare our citizens for change .	10/25/2016 4:07 PM
204	I feel the community is doing well in this area but just encourage it to continue to grow on this path.	10/25/2016 3:42 PM
205	There are some very close-minded folks in Monroe. Not sure how the library can help with that, but the number of Trump signs around town frightens me.	10/25/2016 3:23 PM
206	It is that way now.	10/25/2016 2:21 PM
207	It's not you guys are awesome	10/25/2016 1:45 PM
208	Not too different	10/25/2016 1:17 PM
209	Prefer not to move to Kentucky where property tax is reasonable for people over 75 years old.	10/25/2016 12:27 PM
210	It's not.	10/25/2016 12:17 PM
211	That is how I view Monroe now that's why we love living in this town and love everything about it!	10/25/2016 12:14 PM
212	It is how I see things now because that's the way they are. Just look at the disastrous decisions made right now that are and will negatively impact Monroe. And we citizens will have to pay more & more & more to "finance."	10/25/2016 12:10 PM
213	I love this library.	10/25/2016 11:54 AM
214	Not very different	10/25/2016 11:25 AM
215	Too much B.S. at present time !	10/25/2016 11:10 AM
216	I see a lot of that now, but more can't hurt.	10/25/2016 10:54 AM
217	N/A	10/25/2016 10:25 AM
218	Most people in Monroe are pretty similar.	10/25/2016 10:07 AM
219	We moved to Monroe 2 years ago and couldn't be happier. We feel that the community here is warm and welcoming.	10/25/2016 9:58 AM
220	Its not, we try to understand that everyone is not always going to have the same opinion and that is ok	10/25/2016 9:12 AM
221	Not hugely.	10/25/2016 8:47 AM
222	I think our town reflects what my idea of a community is	10/25/2016 8:18 AM
223	Feel we are on the right path but bringing in companies like Wal-Mart does not foster that	10/25/2016 7:36 AM
224	I think, in general, our community exemplifies these things - but there is always room for improvement. We can always help more and be kinder to our neighbors, friends, and especially to strangers or those we don't know.	10/25/2016 7:09 AM
225	Could be more progressive with use of technology to make things more efficient (progressive)	10/25/2016 6:44 AM
226	Library should be open longer during week-days and week-ends. Should be a place to come for a chamber music concert, attend yoga class, or get access to information that would be unaccessible from the home.	10/24/2016 10:04 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

227	We are close to being there. We need to focus more on kindness and volunteering for kids.	10/24/2016 9:56 PM
228	It's not	10/24/2016 9:37 PM
229	It's not very different... I wish people would be more engaging and open with others in their community, and in many cases the community is thriving.	10/24/2016 9:21 PM
230	Right now my kids could get seriously hurt or killed if they ride their bikes in our neighborhood (not a main road). Only a small percentage of people in Monroe seem interested in the fact that the natural world around them could help them mentally and physically; citizens are minimally aware of our history and the importance of holding onto our agricultural roots; people are in a rush and don't have time to get to know their neighbors.	10/24/2016 9:05 PM
231	Not to different	10/24/2016 9:04 PM
232	Getting more commercial in a wrong sense- More traffic and less small mom/pop stores	10/24/2016 8:50 PM
233	Not different	10/24/2016 8:45 PM
234	There is a transient factor within the community that are not welcoming or friendly. Also, Monroe seems to have become a bedroom community for Fairfield and lower Fairfield County. People don't seem to invest their time and talents in the community.	10/24/2016 8:26 PM
235	The town is changing but the library is still grounded in community...thank you	10/24/2016 8:25 PM
236	It's not. The library is our favorite spot especially during the summer.	10/24/2016 8:23 PM
237	Monroe is driving out the working class to make room for a white collar class where more tax base is easier to attain	10/24/2016 7:38 PM
238	It has been good.	10/24/2016 7:26 PM
239	Not much different, it is the same path that the library is on now	10/24/2016 7:17 PM
240	There needs to be more town wide events to come together as a community. There also need to be safe teen activities and a safe gathering place for teens with events that they are interested in.	10/24/2016 6:51 PM
241	I think Monroe does a great job of this now.	10/24/2016 6:48 PM
242	Not too much different	10/24/2016 6:43 PM
243	People often forget the importance of coming together as a community	10/24/2016 6:19 PM
244	Senior programs at the library should be offered during daytime.	10/24/2016 5:51 PM
245	Same	10/24/2016 5:35 PM
246	It's not different	10/24/2016 5:35 PM
247	Nope	10/24/2016 5:33 PM
248	it really isn't different from what I see now.	10/24/2016 5:15 PM
249	Taxes are increasing.	10/24/2016 5:08 PM
250	No	10/24/2016 5:07 PM
251	Lots of cliques. But, nothing that can be done about that.	10/24/2016 4:56 PM
252	Most programs are for toddlers during the week.	10/24/2016 4:55 PM
253	Not much.	10/24/2016 4:52 PM
254	Some people in the community seem overly adverse to change.	10/24/2016 4:51 PM
255	The is more use of technology than years back and the library is always updated on the latest program	10/24/2016 4:42 PM
256	nothing has changed, she really enjoys the time we spend at the library.	10/24/2016 4:39 PM
257	Conflicts between preserving open space/common space with short-term economic gains. What makes a town attractive and valuable is its living environment. The living environment includes our ethical culture, how we interact with each other and make choices. Schools provide our youth with the foundation to understand their world. Should teach not what to think but how to think.	10/24/2016 4:31 PM
258	Generally, the environment is already very family friendly and understanding... although, as a non-caucasian, at times I do feel out of place at times.	10/24/2016 4:27 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

259	There seems to be more and more homes being built on empty land. It concerns me that Monroe is going to lose the small town feel. I also feel there needs to be a place where teens can go. Of course it would need to be highly monitored.	10/24/2016 4:23 PM
260	Everyone is very pleasant and we have made some nice acquaintances in our time here. I think Monroe is a lovely community - no regrets there. What has been difficult for us is that this is the kind of community where many - I think really most - families have lived in or near Monroe their whole lives, and are now raising families of their own. I think it's wonderful for them but harder on new people coming in. I have volunteered quite a bit in the schools and everyone is very nice but I don't really socialize. Almost all community events are fundraisers of some sort at tickets of \$50 or more pp which prices me out on my 'single mom' budget. People probably think I don't want to socialize since I don't show up but that's not it at all. Friends would be nice to have.... My daughter also experienced social difficulty because by middle school social 'cliques' have already been formed in a small town like Monroe. She's a senior now and says she is one of only 3 kids in her grade who were 'new' since 6th grade - a totally different childhood than I had in the exploding suburbs of a city in the 70s where there were generally about 3 kids who *weren't* new! As a result, she also has made just a couple of friends here - most of her friends are at the magnet school she attends which has been a much better social experience for her - everybody's from somewhere else and it really levels the social playing field - she's very comfortable there.	10/24/2016 4:23 PM
261	I feel pretty much that way now.	10/24/2016 4:17 PM
262	I think we are on the right track	10/24/2016 4:11 PM
263	Monroe is moving in the direction of bringing in new businesses which is great! I understand that Monroe wants to keep its charm and this is more easier said than done, but it would be wonderful if we could have additional retail stores (other than Walmart), restaurants or food shopping venues in town. I unfortunately need to go out of town for most of my household needs.	10/24/2016 4:10 PM
264	Mostly it is how I see things.	10/24/2016 4:08 PM
265	Not very much	10/24/2016 4:07 PM
266	It is already a part of the town, but it can always be strengthened.	10/24/2016 4:07 PM
267	Some People are wonderful. Others are just not nice.	10/24/2016 4:06 PM
268	I have lived in Monroe my whole life and feel for the most part this is what our town is.	10/24/2016 3:46 PM
269	It would just make things better than they are today.	10/24/2016 3:42 PM
270	No different	10/24/2016 3:40 PM
271	just a bunch of strip malls, no 'town center' no sense of community or common gathering place no sense of changing that for the future, no 'vision' of that	10/24/2016 3:39 PM
272	More activities for young people/children would be great.	10/24/2016 3:39 PM
273	I don't find Monroe very neighborly. Even after 19 years living here, it has the feel of a very disjointed town/community. In the town blog/chat groups, many of the people and their comments are self serving rather than for the betterment of the town for all. In other words, there's a lot of "what's in it for me."	10/24/2016 3:34 PM
274	It is not different.	10/24/2016 3:26 PM
275	It's not that much different than reality	10/24/2016 3:24 PM
276	Monroe used to be more like that but has become so much more populated. It is still a wonderful place to call home but a little less population would be nice.	10/24/2016 3:20 PM
277	I still think Monroe is an awesome place to raise children. The schools are great and offer so much for our kids. It's still a safe community I believe. The only downside is the lack of social venues for young people to partake in. There's nothing to do for teenagers in Monroe - the library or schools should have more opportunities on weekends for the kids.	10/24/2016 3:05 PM
278	Monroe is a caring community, but we can always improve.	10/24/2016 2:59 PM
279	Hard to walk from place to place in town or neighborhoods often due to people driving too fast and lack of sidewalks	10/24/2016 2:57 PM
280	Monroe is not a very culturally diverse town but it has been getting better in the past 5 years or so.	10/24/2016 2:56 PM
281	Hours	10/24/2016 2:55 PM
282	Everyone seems to be in such a rush. I am not sure what the rush is all about.	10/24/2016 2:53 PM
283	varies by person	10/24/2016 2:49 PM
284	Could be a little more involved in all ages	10/24/2016 2:47 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

285	I have been living in Monroe for quite a while now and if it weren't for the activities of my children, I would feel like a stranger in Monroe.	10/24/2016 2:47 PM
286	I think we are a work in progress. I think we like to see ourselves as open minded, but we all still struggle with the fear of the unknown.	10/24/2016 2:46 PM
287	It's not all that different than it is now.	10/24/2016 2:45 PM
288	There is not enough trust and compassion. Monroe is a NIMBY community.	10/24/2016 2:42 PM
289	It's not different.	10/24/2016 2:10 PM
290	It is different than how I see things now because many people are unabashedly ignorant and hamper progress of the community.	10/24/2016 2:05 PM
291	the community offers little or not arts programing for adults, does not promote creative thinking, is narrow minded in its approach to education and town planning and is aesthetically ugly	10/24/2016 1:37 PM
292	It's disheartening to see so many events offered by the library that only happen on weekdays. More and more parents work and the opportunity to meet others and for their children to meet new friends becomes limited. It seems like all these events are only for those with the luxury of staying home-and it is a luxury. Right now I feel like I moved to a town that has nothing for me or my son outside of the promise of decent schools when he reaches that age. The festivals are great - but there needs to be more.	10/24/2016 1:35 PM
293	Monroe is an example of a community that struggles to support the disadvantaged and to recognize the value created by institutions which as EWML.	10/24/2016 1:19 PM
294	I believe that the programs for the children currently are very good and if at all possible having more options would be best.	10/24/2016 1:17 PM
295	Monroe is a caring, welcoming community but at times it doesn't seem to be as open minded to diverse opinions as it could be.	10/24/2016 1:14 PM
296	Not much different!	10/24/2016 12:54 PM
297	all good	10/24/2016 12:41 PM
298	No different.	10/24/2016 12:27 PM
299	There's no accountability or follow up	10/24/2016 12:26 PM
300	Not really different at all.	10/24/2016 12:24 PM
301	It is how I feel now.	10/24/2016 12:18 PM
302	Rather similar	10/24/2016 12:18 PM
303	I've made friends here and realize you have to go out in the community and meet different people of all backgrounds.	10/24/2016 12:09 PM
304	Today's community relies heavily on parents and teachers solve to identify and solve for gaps. We Must embrace this as a whole community and should be a central focus to our town leadership as well as a core focus library, its leaders and staff.	10/24/2016 12:00 PM
305	I think things are good now but there is always room for improvement	10/24/2016 11:57 AM
306	many people tend not to care	10/24/2016 11:55 AM
307	It really isn't - I love Monroe and have been a resident for over 20 years now.	10/24/2016 11:40 AM
308	our taxes are being put to use in good ways and in some frivolous ways ... our library is in a good way	10/24/2016 7:09 AM
309	Monroe does have these qualities but I would like to see more of them and more opportunity to participate	10/24/2016 6:47 AM
310	Nothing	10/24/2016 3:16 AM
311	The town is beautiful but "sleepy". There isn't much going on outside of Wolfe Park, Church and School. Why do we have a senior center and not a teen center? I'd like to see the town brand itself as a place where millennials want to visit and live. Many are bored here and move away. Why not a music venue for local bands? More outdoor cafes? A dance club?	10/23/2016 8:55 PM
312	I am not particularly comfortable that there are stores selling guns. I find flyers advertising this type of merchandise to be off-putting, particularly as we are so close to the gun violence that occurred in Sandy Hook, CT. The looming threat of another McDonalds being built and a Walmart on Route 25 concern me. There are so many areas of natural beauty in Monroe and it is a shame to see them being taken over with development. Also, what kinds of jobs and traffic will these businesses create - is it worth it?	10/23/2016 6:49 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

313	The town could do a better job in snowplowing the roads...other towns like Trumbull does a better job plowing their roads than Monroe.	10/23/2016 5:33 PM
314	It isn't	10/23/2016 4:22 PM
315	People are less welcoming and suspicious of everything	10/23/2016 3:17 PM
316	Working towards it	10/23/2016 3:08 PM
317	Too reflective of current national decisiveness..	10/23/2016 1:17 PM
318	Just a question of degree	10/23/2016 10:10 AM
319	its around but not prevelant.	10/23/2016 10:06 AM
320	The structure of the family is on the decline. Neighbors are not respectful in their communities. No one wants to be accountable for anything the police or town employees.	10/23/2016 9:35 AM
321	I see that in the children's room but not upstairs.	10/23/2016 8:16 AM
322	See above!	10/22/2016 10:25 PM
323	I think it's not, considering that Monroe is probably as safe as it can be in a world where everybody (including mentally sick people) have such easy access to guns.	10/22/2016 10:08 PM
324	Community does not pull together well during crisis mode, ie, storms, etc. We have a senior center that is barely used, and one if most unwelcome if not a senior, but our taxes pay for the building. So we rely upon the library as our community center. We have no place	10/22/2016 9:10 PM
325	not much different	10/22/2016 9:04 PM
326	It's not	10/22/2016 6:44 PM
327	not much	10/22/2016 6:04 PM
328	We are very divided.	10/22/2016 5:17 PM
329	Budget restraints restrict what the library could be doing.	10/22/2016 4:36 PM
330	Not really different... Monroe is a good town	10/22/2016 4:30 PM
331	We are getting there	10/22/2016 4:06 PM
332	I believe that the elected government has it's own agenda as to what they want to happen in our town and we don't have enough say in the planning process or decisions	10/22/2016 3:46 PM
333	I love the library. The only thing that I don't like about Monroe is that it tends to be too homogeneous even though it is located in Fairfield County. A small example is the range of restaurants/food options. While other towns have many options, Monroe has pizza and more pizza.	10/22/2016 2:56 PM
334	From my own experiences, many senior citizens in Monroe want nothing to do with computers. With the town government increasing their efforts to put a lot of town services on-line, this will effectively shut out the senior citizens from accessing town officials and town services.	10/22/2016 2:17 PM
335	Overall, no complaints . . . except for possibly the rising costs issue, mostly with regard to our older residents.	10/22/2016 2:01 PM
336	I feel there is too much big business in town, I would like to see more small local family businesses	10/22/2016 2:01 PM
337	It usually is not different.	10/22/2016 1:51 PM
338	Sexism, racism, and the haves and have not is alive and well in Monroe.	10/22/2016 1:50 PM
339	Not very	10/22/2016 1:46 PM
340	getting to commercial	10/22/2016 1:00 PM
341	We still have some people who need help getting there	10/22/2016 12:57 PM
342	Community meets these criteria at this time	10/22/2016 12:35 PM
343	Not much different	10/22/2016 12:23 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

346	I love living in Monroe, but within the past few months I am sensing a strong sense of entitlement...people are actually complaining that more restaurants do not deliver and also that they have to provide Halloween candy at a fundraiser for those less fortunate. These are very silly things to be mad about, and there is a lack of gratefulness for what we do have.	10/22/2016 11:21 AM
347	Some people just want money	10/22/2016 11:00 AM
348	It is moving in that direction	10/22/2016 10:42 AM
349	Many of the speakers I've enjoyed, but seems to few for younger generation. Need to get 18-30 yr. group more interested.	10/22/2016 10:12 AM
350	Not much	10/22/2016 9:57 AM
351	I feel safe here, there is not a lot of crime which I love about Monroe, & everyone is very helpful & kind.	10/22/2016 9:49 AM
352	Taxes are high. Business planning is not up to part too many like business in area. I don't want Monroe to be known for the land of nail salons and pharmacies.	10/22/2016 9:48 AM
353	Tired of seeing things the way that have been done for a hundred years. We need to put more resources into the library and I think asking what is important is the way to do it!	10/22/2016 9:47 AM
354	We are getting there.	10/22/2016 9:39 AM
355	Still raising them and still here.	10/22/2016 9:16 AM
356	Stuck a bit in past	10/22/2016 9:10 AM
357	all pretty good	10/22/2016 8:51 AM
358	I think the community is getting there.. I think the library has already gotten there	10/22/2016 8:34 AM
359	Today's society is "me" oriented and many people are not willing to help or volunteer to help the community be a better place.	10/22/2016 7:52 AM
360	The town needs more intellectual activities	10/22/2016 7:51 AM
361	Too many of us are still are still thinking in terms of the America of the 1950's and those days are gone forever.	10/22/2016 7:18 AM
362	Rude people Not friendly Not small town anymore	10/21/2016 11:47 PM
363	monroe is not very diverse and that is no fault of the library	10/21/2016 10:37 PM
364	While people are pretty friendly and many are educated, there is not as much culture in this community as there could be.	10/21/2016 9:10 PM
365	It's not	10/21/2016 9:03 PM
366	Would like to see more community engagement.	10/21/2016 8:53 PM
367	Pretty much the same.	10/21/2016 7:59 PM
368	Not much, we pretty much love it here. My only two complaints would be it would be great if there was more industry to help lower taxes & provide jobs. The other would if the wooden playground at Wolfe park could be repaired without too more extra tax burden on the community.	10/21/2016 7:59 PM
369	It's not.	10/21/2016 7:41 PM
370	the same as I see now	10/21/2016 7:27 PM
371	Overall, Monroe is welcoming but of course not everyone is open to others and new ideas. With the budget they have, the schools and library work hard to promote literacy. Probably the town could work more on cultural experiences. Perhaps Monroe can team up with neighboring towns and offer more.	10/21/2016 7:15 PM
372	Elderly and parents of young children often vote against the budget - this has hurt the schools in the past.	10/21/2016 7:00 PM
373	No different great as is as I see it	10/21/2016 6:14 PM
374	Almost impossible to talk to anyone at town hall. Almost always get an answering machine. Very annoying!	10/21/2016 5:55 PM
375	I think monroe isn't overly diverse but I knew that moving here. I really love Monroe.	10/21/2016 5:06 PM
376	offering different hobby, educational, historical, and music and arts classes	10/21/2016 4:57 PM

386	<p>Monroe tries to keep up with other lower-Fairfield county towns but isn't willing to accept the risks that go along with being an early adopter of ideas and ideals. Monroe does not think independently. The town is divided politically and there doesn't seem to be enough respect coming from Town Council towards our Town Hall employees. This hinders progress tremendously. We are also more concerned with red tape than with what is truly important for the town and its people. None of this has nothing to do with the library, but it does effect the library. For example, I'm sure someone thinks the library is not necessart and should be cut from the budget. Then the library needs to conduct a survey to collect data so that it may defend itself. Its very sad. Every town needs a library. Period. It's the same reason why every school needs a library. But we aren't talking about cutting those libraries are we? And those only help students. What about all of the adults in this town? And moving it to Chalk Hill is not the solution either. What kind of town would we be without a stand alone library? I'll tell you we won't be like the lower Ffld Cty towns Monroe tries so hard to be like. End of rant. LOL</p>	10/21/2016 1:50 PM

## Q15 What are some of the things that need to happen to create that kind of change?

1	We simply need to maintain our commitment to protect our children, welcome one another, and increase our Faith as a community. The rest will follow, and improvement will flow from that.	11/14/2016 9:28 AM
2	To keep our eyes open and not to tolerate bad things that could happen.	11/12/2016 3:11 PM
3	I don't know. . . yet.	11/11/2016 11:01 AM
4	Recognize each other as unique, interesting and worth knowing.	11/11/2016 9:16 AM
5	I'd appreciate more transparency in our zoning. When there is not transparency, there is a perception of collusion. Perception is reality....	11/11/2016 7:59 AM
6	The senior center should become a community center.	11/10/2016 7:45 PM
7	Just continue to provide opportunities to be together as a community - for example the farmers market.	11/10/2016 7:05 PM
8	P&Z should be a little more careful of the building allowed in town.	11/10/2016 4:30 PM
9	?	11/10/2016 1:35 PM
10	Dare I say have something, a greater good, to believe in: I don't care if it's Judaica, Catholicism, Muslim, or any other God(s). Children need to learn about respect from the family to neighbors and so on. Stop giving everything away for free, I work hard for what I have and almost 1/2 of that is taken from me and given to many who use and abuse the system. What happened to "work fair"? Remember the saying, "You can give a man a fish and he eats today, but teach a man to fish and he eats everyday". It seems like we give the fish, the bread, the drink and a few extra dollars that are not appreciated.	11/10/2016 1:27 PM

12	I have no idea.	11/10/2016 12:22 PM
13	We need to be ok with letting our children fail and teaching them how to bounce back from that failure rather than giving them the easy way out and helping them do everything.	11/10/2016 11:36 AM

22	I believe it's a continuous effort on the part of officials, residents and the local business	11/10/2016 5:20 AM
23	The consciousness of the community ,whether town or nation, must be awakened and stimulated by any means necessary. The desire to know and understand must be encouraged at every opportunity. Libraries and schools must become as energetic and persuasive as possible to promote the joys of knowledge. Inducements must be found. The agents of banality and the trivial , driven by mere greed, use every means possible to promote the dispensable. Communities should allow their schools and libraries to do the same. Be creative and tireless in forming motivation and desire for personal growth and the enrichment of the soul .	11/9/2016 11:02 PM

29	Better town leadership and economic development	11/9/2016 7:33 PM
30	People would need to become more aware of things that might nourish them more deeply than those they are spending time on now and make different choices for their lives. Community institutions would need to support them in that.	11/9/2016 7:15 PM

47	Needs of individuals need to be considered and important. Long time resident's opinions should be sought out and given REAL consideration, much like the elderly patriarch of a family should be consulted and, many times deferred to, because of the wisdom brought by age and experience. Additionally, community members being consulted on wishes and needs is very helpful. For example, this library survey seems like a good idea. If expressed opinions would be acted upon, that will be wonderful. Similar action for other areas of town functionality would be similarly helpful.	11/9/2016 12:44 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

98	People need to come and work together to help others and make the world a place where people can live together and support one another.	11/2/2016 1:46 PM
99	I think that getting more involved with social media on a scale where the community (and other communities) are bound to hear about programs, lectures, and the books themselves is a good way to create change that will get more people involved.	11/2/2016 11:36 AM
100	have open-minded, forward-thinking personnel in leadership	11/2/2016 11:22 AM
101	It seems most people have no core values, not willing to share time and resources to help others. Possibly less time on electronic devices, slow down and say "hello", or at least become more a part of the community of Monroe.	11/2/2016 11:14 AM
102	More police patrolling to deter vandalism and poor driving	11/2/2016 10:09 AM
103	less competition among mom and sport parents	11/1/2016 6:59 PM
104	Not much, just maybe hosting a little more events in the community	11/1/2016 5:55 PM
105	careful, it's election year! More events/classes	11/1/2016 5:16 PM
106	New leadership and bringing in business other than Walmart/ putting a more appropriate store where Goodwill went. For a prime piece of real estate, we could have had multiple businesses that generate more income/taxes for our community.	11/1/2016 3:57 PM
107	Lessen taxes so people have more time to be around than to work to pay such high taxes.	11/1/2016 12:30 PM
108	Parents involved with their children. Parents having more control of what their children are doing.	11/1/2016 12:22 PM
109	Monroe needs to feel more like a town. Scrap the strip mall atmosphere of Rt 111 and create a shopping area where people park and can walk on a sidewalk to shops and restaurants. Leafy tree-lined streets where people can mingle, talk, or just sit and have some coffee. Rt. 111 is slightly better than the disaster that is Rt 25. Pity the people who live closer to the "other side" of Monroe. Absolutely no town feel, only commuters from other towns trying to get through the Monroe obstacle as fast as they can. Been to Stepney Green lately? Difficult to change Monroe's commuter nature. Perhaps building an indoor youth (and adult) center linked to the EWML -- near the lower parking lot area down behind the library. Emphasis on sports, fitness, community, volunteering, and of course learning and mind expansion at EWML	10/31/2016 8:34 PM
110	create sidewalks everywhere. People should be able to safely walk around their neighborhood, walk to schools, markets, restaurants...	10/31/2016 7:43 PM

118	Each person needs to get in touch with their inner need for peace	10/29/2016 4:45 PM
119	Better communication from the town representatives, like selectman, would help. There has been some improvement via emails and social media but it really doesn't seem to be enough.	10/29/2016 2:32 PM
120	I think it's doing pretty well how it is	10/29/2016 1:36 PM
121	Community gatherings that promote kindness. Community events and programs that promote the arts. Currently many group activities are sports related (5ks, etc.). The arts are not deemed as important in the elementary schools or within the community and could be an amazing community building endeavor.	10/29/2016 12:20 PM
122	Competition at town government, make it a two-party town with room for non- affiliates. The best solutions don't always come from one party. Every member including volunteers should be treated with respect.	10/28/2016 6:10 PM
123	It's more of a personal decision where I settle. There aren't too many corners to go to escape in our library. The people that are working on the tables near the outlets probably feel like they are being watched when I sit in the cushioned chairs behind them. I would like to see those cushioned chairs moved over to the end of the book isles so it doesn't feel like I'm trying to spy on their work.	10/28/2016 4:24 PM

## Edith Wheeler Memorial Library Strategic Plan - Community Survey

124	Community activities need to continue to educate and assist advancing the agendas of progress. Politics needs to work at unification and appropriate goal setting for all members of the community.	10/28/2016 2:53 PM
125	Mostly it is: what DOES NOT need to happen. Change is not always good, especially undesirable change enacted by politicians contrary to the desires of the population.	10/28/2016 2:19 PM
126	Just expand the hours and add more interesting events for people to attend. Advertise more on Facebook to attract followers for different events.	10/28/2016 1:36 PM
127	community awareness	10/28/2016 1:21 PM
128	no change needed	10/28/2016 12:58 PM
129	We don't have ways to showcase different cultures. A World Festival on the green would be a great way to learn about cultures and taste the food. Free-Wifi should be available everywhere in town, especially on the green and at the parks.	10/27/2016 9:01 PM
130	N/A	10/27/2016 7:42 PM
131	Replace the chief of police. Send the officers to thoughtfulness school, stop acting like military. Be kind, we are not the enemy.	10/27/2016 5:28 PM
132	more interactive things for teens	10/27/2016 5:09 PM
133	Perhaps more support and encouragement from town management to make the library the center for information and community activity coordination.	10/27/2016 5:04 PM
134	Your present staff is great in welcoming people, as well as getting along with each other, but there is not enough staff.	10/27/2016 3:53 PM
135	People need to care more about each other.	10/27/2016 3:28 PM
136	Diversity in governing entities.	10/27/2016 1:45 PM
137	We need to look beyond party labels. Get party leaders to work together. Include more members of our community who are unaffiliated voters on boards and committees. Elected officials also need to listen to all constituents. We also need better information about what is going on in our community. Unfortunately the Monroe Courier is not the quality newspaper it was 15 years ago. The reporters then (even some high school students) were very informed. At that time the Monroe Courier provided information about meetings of Board of Ed, Town Council, P&Z, etc. There is nothing like that now in print or online.	10/27/2016 1:37 PM
138	If things don't get put into the budget, then it should be deferred until the following year's budget. I don't believe that all the special town voting sessions is the right way to run the town spending. This type of spending and borrowing still gets added to the town debt, doesn't it?	10/27/2016 12:59 PM
139	I feel that the problem in Monroe are the drivers. There are way too many careless drivers (i.e. speeders) and more police officers need to be out on the streets watching. Also, way too many people use their phones in this town while driving- they either text or they are actually talking on the phone- of course there is never a policeman around to see it.	10/27/2016 12:40 PM
140	There should be workshops offered to parents on how to raise caring children, and how to watch out for bullying type behaviors in our own children.	10/27/2016 11:49 AM

I had my kids cross Rte 25 between Mason's farmstand and Bradford Green the other day: the crossing light was broken and giant trucks were sailing down Rte 25 WAY OVER the speed limit. 184	I think that Monroe does a good job making families feel welcome. The truck event at the library a few weeks ago was amazing. There's always something family-friendly going on, which I love. I would like to see more focus on the arts in town overall, but I've joined the Arts Council so hopefully I can help make that happen. Overall I would love to see them renovate the old wooden playground in Wolfe Park - all the families in Monroe go to the park in Newtown because our playground is covered in bees and is not in good condition and I think that's a shame that we can't really use our own park. But that's not a library issue, just a general Monroe concern.	10/25/2016 9:58 AM

218	I don't know. It's honestly not just a Monroe thing - it's a Connecticut thing (I grew up in a city in another state - 180 degrees different). I really like it here in terms of the beauty and family-friendliness, etc. but it's very hard to pry your way in. I had better luck in the greater New Haven area and will probably move back soon. I don't why it seems a little easier there except that there is probably greater diversity in the makeup of families so less eyebrow-raising at single moms, etc.. Monroe is very white/two-parent/mostly-Republican, etc. and I don't imagine Monroe really wants to change that too much because I think that's largely why people move here. And that's OK - really it is. So, I don't know. I think to change it would probably change the reasons people move here. Honestly, I wouldn't change it much because it serves people here well. It's probably just not my right place.	10/24/2016 4:23 PM

258	People need to be open to change. All these strip malls are redundant and doesn't give the town an identity. Make Route 111 more appealing. Create a space where you can park your car and walk around and talk to people. Coffee shops, ice cream stores and pizzerias are next to nail salons and dry cleaners. Set a space up that resembles a food court. Incorporate sidewalks. There's too much traffic, too many cars and not enough people walking. People shouldn't have to walk in the street. Why is the senior center lit up at night when closed? Why aren't there more street lights so we don't have to use our high beams constantly at night. Too many banks, gas stations and pharmacies. Need more flower shops, bakeries, toy stores, specialty stores. All this makes a difference.	10/23/2016 8:55 PM

277	Most people don't know what the library has to offer. Some outreach perhaps, adverts "Did you know...." or a yearly 5K race. Incentives to bring business into Monroe, different types from what already exist. Certainly no more dry cleaners or pizza. Monroe is a beautiful town but has developed a reputation for a place that has high taxes and a high school that charges students for sports/activities. Monroe needs a makeover to create more positive associations. It would help local businesses and jump start real estate in town.	10/22/2016 2:56 PM
278	Organize a class, or a series of classes, that would introduce seniors to how to use the library computers to help them access information on-line and to access town services.	10/22/2016 2:17 PM
